

The Discovery Center of Idaho's (DCI) Annual Appeal program aids DCI in providing exhibits, programs and events designed to trigger the imagination and ignite curiosity. With your support, we can continue to provide our community with the opportunity to experience and understand the wonders of hands-on science.

Following are examples of how your donation can make a difference!

Up to \$99.00

Funding at this level could help to:

- ❖ Provide thirty underserved students the opportunity to experience hands-on science, free of charge.

\$100.00+

Funding at this level could help to:

- ❖ Provide a Science Assembly or Family Science Night at a Treasure Valley school.
- ❖ Teach students and families about the constellations using *Starlab*, our portable planetarium.

\$500.00+

Funding at this level could help to:

- ❖ Take hands-on science education to rural Idaho through our *Outreach* program.
- ❖ Support *Invent Idaho* — a statewide inventing program for students in grades 1–8, designed to encourage and inspire young inventors.

\$1,000.00+

Funding at this level could help to:

- ❖ Create, and build in-house, an interactive and thought-provoking feature exhibition.
- ❖ Design and host compelling programs and events such as *Idaho Space Days*.

To make a donation, please complete the reverse side of this form and return to DCI.

Yes! I would like to make a tax-deductible contribution to support DCI and help to provide lifelong learning opportunities in science, math, and technology.

Contact Information

Name _____ Spouse _____

Address _____

City _____ State _____ Zip _____

Home Phone _____ Office Phone _____

email(s) _____

Please do NOT list my (our) name(s) in the Annual Report or Newsletter.
